YOUR FICTICIOUS BUSINESS NAME IS GOING TO STOP!

Don't forget! Your business name filing is good for ONLY five years in Los Angeles County. By state law you must renew your business name every five years. If you do not renew your name on time, it will expire. SOMEONE ELSE may take your business name if you do not renew it on time.

Our Legal Desk™ will REMIND you in five years on time by mail. When your signed form and two checks arrive at the newspaper, we will personally HAND-FILE your documents with Los Angeles County; on the next working day our staff will send one conformed and numbered, county stamped copy back to you for you and/or your bank. For all New and Changed DBA's the Legal Staff will PUBLISH your Fictitious Name Statement in the newspaper for 4 successive weeks.
